

Do You Know Exactly Where Your Trailers and Non-Powered Containers Are Located?

Are trailers and containers ever misplaced?
Are they in your own yards, but can't be found?
Have they been stolen? Hijacked?
Which trailers are in for maintenance?

Do you know the current location of every trailer and container in your fleet right now?

Cost-Effective, Easy to Use Tracking

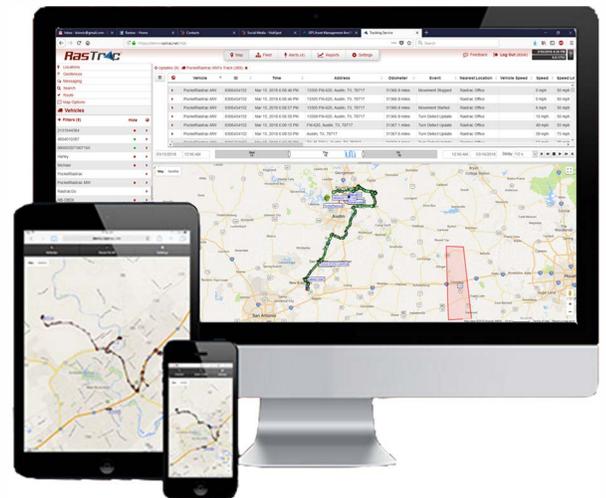

Receive regular scheduled reports on:

- Location of all trailers and containers
- Specific whereabouts of a particular asset
- Trailers and containers located closest to a specified location
- Trailer movement, from installation to termination
- Assets being tracked anywhere worldwide

What Rastrac Can Do for You

- Show you where all of your assets are at any time, 24/7
- Help increase profitability by protecting your trailer assets
- Allow you to dispatch your trailers more efficiently
- Potentially help you save on insurance costs
- Provide battery and satellite-powered tracking devices with an exceptional battery life for long-term deployment
- Easily scale up or down at any time, depending on how many units you want to track -- from one to hundreds!

Go With a Proven Leader

- Get ongoing access to upgrades that contain new features and updates to ensure compatibility with the newest computer hardware and communication systems
- Get support from an established innovator in tracking systems, backed by over 30 years and the tracking of over \$2.5 billion in vehicles and assets
